

AMERICAN FAMILIES NEED TO TRUST MCDONALD'S AGAIN

To McDonald's Management:

As a concerned parent, grandparent or child caregiver, I am asking that you live up to your mission to "care about kids." Please stop supporting TV programming that is harmful to children during hours when children are watching.

How can a company built on Happy Meals underwrite television shows that laugh at the sexual exploitation of children and pedophilia?

Please make the Golden Arches a brand that parents and families can once again trust.

Sincerely,

A Concerned Consumer and Guardian of Children

Our mission is to protect children from the proven harm that comes when they are exposed to graphic sex, violence and profanity in entertainment media. Help us provide a safe and sound entertainment media environment for children and families across America. For more information please visit www.parentstv.org
